Overland

27.2 Miles a Gallon Atlantic to Pacific

Piloted night and day for seven and one-half days by 25 drivers who never before saw the car, a stock Overland, with ECONOMY across the country. Over all kinds of roads for 3442 miles it averaged 27.2 miles per gallon of gasoline; 13.1 miles per gallon of oil. The entire trip was made with the original tire equipment. Again, as in hundreds of great tests, Overland alloy steels and Triplex Springs made possible the record of this light-weight car.
